Dear Andy:

Thank you for the quality painting that you and your team have done on our house. We are very pleased with your work and have already recommended you to some friends of ours in the area.

Your team of painters were always very courteous and careful about our landscaping, patio furniture and planters. It was a pleasure, not an inconvenience to see their smiling faces each day.

Thank you again for working so hard to make sure that everything was done to perfection! We wish you all the best this summer and in the future.

Sincerely,

Tom & Susan English
