We were very pleased with the exterior painting of our colonial home by College Works Painting. Jimmy Beach and his crew were all very pleasant, hard-working young men.

We were very pleased with the exterior painting of our colonial home by College Works Painting. Jimmy Beach and his crew were all very pleasant, hard-working young men.

We were impressed with jimmy's professionalism in explaining the process before the job, keeping us informed of the work timeline and reviewing progress with us daily. He and the crew were prompt, considerate and very accommodating in improving details according to our specifications.

We would recommend College Works Painting and Jimmy Beach for any painting project.
