

College Works Painting Reference Letter

Jarric Ramos, acting on behalf of College Works Painting, was an outstanding example of what we need in our next generation of business people! He represented the company very well, and gave a VERY competitive quote on the job of painting the exterior of my house. I'm a single woman, and depend on the trustworthiness of businessmen and women when it comes to work on my home.

To whom it may concern,

He represented the company very well, and gave a VERY competitive quote on the job of painting the exterior of my house. I'm a single woman, and depend on the trustworthiness of businessmen and women when it comes to work on my home. I had complete faith in Jarric! And when his crew started painting, he was very much the leader. Jarric even sent two crewmembers home one day when he realized that they weren't doing the kind of job that he expected them to do. This impressed me to know that I was being watched out for, and that the job was going to be done in the best way possible. The final outcome of the paint-job was BEAUTIFUL! I've had nothing but positive remarks from neighbors and strangers passing by. Jarric and his crew did an outstanding job, and I would highly recommend College Works Painting to anyone looking for professional workmanship and a good value for their money!

Thank you,

Victoria Nelson
