After reading an article about Matt Krantz in our local newspapers contacted him for some exterior house painting. He responded quickly, showed up as planned and scheduled our parried in good time.

Matt is very easy to talk to and he spent enough time explanting he project in detail. His staff was courteous and pleasant. The job was completed promptly and well. We would dejectedly use Matt and his company in the labor.

After reading an article about Matt Krantz in our local newspaper, we contacted him for some exterior house painting. He responded quickly, showed up as planned and scheduled our project in good time. Matt is very easy to talk to and he spent enough time explaining the project in detail. His staff was courteous and pleasant. The job was completed promptly and well. We would definitely use Matt and his company in the future.
