Re: College Works Painting Contract No. 2004-110979

Dear Blake:

I am very pleased with the high quality of preparation work and painting I received from your crew of Rod and Sergey. They were neat, thorough, professional and polite. They always showed up for work with a great attitude and worked steadily until the job was completed. They did touch up work quickly and completely. Rod and Sergey were quick and efficient in their clean up. I would highly recommend College Works to others. It is a great cause helping others earn their way through college and the work product is first rate. I am a most satisfied customer.

Best wishes to you, Rod and Sergey for the remainder of the 2005 summer and in the fall when you all three return to school.

Sincerely,

Lawrence M. Lee
