Dear College Works Pairing:

Just a quick note on the exceptional job the crew I hired to paint my new home in Connecticut The home had not been lived in for several years and was in dire need for a paint job. I heard about College Works through a pamphlet and decided to go with you after meeting the Operator, Ryan McNeil. Ryan was polite and kept me up to date on the progress of the job.

Ryan's crew, Ryan Neilan, Pat Fraser, Bob Kyme, Mike Sherriff and Brian Brennan worked quickly and did a great job avoiding the rainstorms that kept plaguing us. The crew even worked over a holiday weekend to get the job done.

In total the house looks 100% better and I will use College Works Painting in the future.
