Your workers, Sean, Sam & Clay have been great. They work very hard in this hot weather. They have been very good natured and enthusiastic about solving the particular challenges that this job has faced them with – rusty nail holes, dirt that doesn't disappear.

Dear College Works:

Your workers, Sean, Sam & Clay have been great. They work very hard in this hot weather. They have been very good natured and enthusiastic about solving the particular challenges that this job has faced them with – rusty nail holes, dirt that doesn't disappear. with power washing, old paint, etc. ...

I appreciate their attitude, and would be happy to recommend them to other customers.

Sincerely,
