Dear College Works Painting,

This is to serve as a letter of recommendation for Justin French, a local District Manager with College Works Painting.

Justin and his brother just recently finished painting several rooms of my house and I couldn't be happier with the outcome. Not only was the quality of the painting service performed outstanding, but their professionalism and customer service far exceeded my expectations. They showed up when they said they would show up, and were very considerate of my time and did not waste it in any way. The rooms painted turned out far better than I expected, and I attribute that to Justin and his quality craftsmanship.

I would not hesitate to recommend Justin and College Works Painting in the future, It was a true pleasure doing business with him.

Sincerely,

Alex M. Ragan
