I would also like to tell you that Carl Burhop did a great job both in presenting (selling) the job to us, and in getting the job done well and on time. He was professional, cordial, and when there were a few (very few) problems when the job was finished, Carl came back to address all of the issues to my complete satisfaction. In all aspects of this job, Carl delivered what he promised. In short, Carl was a pleasure to work with, and his crew did a great job. I would highly recommend him to anyone looking for a hard worker with a great attitude. I wish him great success in all future endeavours.

Sincerely,

Bill Christie
