I highly recommend Christian Lehr and College Works Painting. Christian and his crew completed painting my house and did an excellent job.

To Whom It May Concern:

I highly recommend Christian Lehr and College Works Painting. Christian and his crew completed painting my house and did an excellent job. They were professional, hardworking and polite. The paint job itself is beautiful-the paint sprayer leaves a smooth and perfect finish.

I also appreciated the powder washing of my driveway and back porch. My entire house looks fresh and neat. In the future, I would definitely use Christian Lehr and his team again.

Sincerely,

Theresa Lehr
