Dear Sir or Madam:

I am writing to let you know what a great job your local crew did in
Painting all three of my decks.

The Branch Manager, Ms. Taryn Feenstra, was especially helpful and most
Professional in the way she directed her crew. Knowing that what I was
expecting required a lot of fine sanding and priming, she kept me informed
in each step of the way as to any difficulties. When I become obvious that
what was needed was going to be more expensive, she very carefully
explained to me why it was necessary to achieve the best results.

I was very impressed with this young lady. She certainly worked every bit
as hard as those she directed and the results were just what I wanted. I
would most certainly recommend her and her people to anyone I know
that needs professional painting.

Sincerely,

Paul R. Lucas
