

College Works Painting Reference Letter

FRANK J. & FAY KRASOVIC

We recently contracted to have College Works Painting paint our house. We met with Phil DiMauro, and energetic, dedicated young man who completely explained all of our options in detail before we signed the contract so that we were fully informed on how everything would happen.

TOWHOM IT MAY CONCERN

We recently contracted to have College Works Painting paint our house. We met with Phil DiMauro, and energetic, dedicated young man who completely explained all of our options in detail before we signed the contract so that we were fully informed on how everything would happen.

Phil supervised his crew in a most efficient and professional manner. We had concerns because of the asbestos shingles on the house, but after speaking to him we felt confident that the job could be done without any problems. He personally took charge and kept us informed at every step of the job. His enthusiasm and attention to detail guaranteed an exceptional job. We are extremely well pleased with the results of his efforts.

This young man is a very personable, dedicated professional who possesses fine managerial skills. We would not hesitate to do business with College Works Painting again because of the excellent job that he did.
