

College Works Painting Reference Letter  
Harold C. Yancey

Mr. Ben Toney, Manager for College Works Painting prepared a bid for me to stain my rather large deck. I accepted the bid and advised them to proceed.

TO WHOM IT MAY CONCERN:

Mr. Ben Toney, Manager for College Works Painting prepared a bid for me to stain my rather large deck. I accepted the bid and advised them to proceed.

The work was done today by two of his employees, a Mr. Osvaldo and a Miss Tamsen. Prior to doing the staining, the deck was power washed so that it was perfectly clean. I had the opportunity to observe their work throughout the day today and found them to be hard working and thorough. When the job was completed, I inspected it carefully and found that they had done an excellent job.

I also had the opportunity to see the finished product on a home that they painted in our neighborhood and found as well that they had done an excellent job.

I would be happy to recommend Ben and his co-workers to anyone who need painting or staining done. I am very pleased with the results at my home.
