College Works Painting  
On July 30 and Aug 2 thru 5  
Smith nate Raliegh and  
Colin Pomeroy (manager) cleaned  
and painted my one story  
house

There was a lot of prep work  
to be done, as the house had  
not been painted for at least  
20 years. It actually required  
more work than Colin had  
anticipated and he was good at  
explaining the situation. They  
worked very hard at trying  
to get it right. Being masonite  
siding, a few gongs occurred,  
but not too bad

Basically, it looks very nice  
And I am pleased with their  
Work.

Nate did an exceptional job  
on a narrow trim strip on each of  
the three gable ends. Jason  
put in a lot of hard work  
doing much of the spray paint-  
ing, especially the primer coat,  
by himself. Colin did a very  
good job in the marketing  
department. All are hard workers,

On July 30 and Aug 2 thru 5 2004, Brian Shipman, Jason Smith, Nate Raliegk and Colin Pomeroy (manager) cleaned and painted my one story house.

It actually required more work than Colin had anticipated and he was good at explaining the situation. They worked very hard at trying to get it right. Being Masonite siding, a few gouges occurred, but not too bad.
