My husband, Phil, and I are taking this opportunity to tell you and College Works Painting that it has been a pleasure to deal with them as they carried out the contract to paint various areas on our property. It has been especially entertaining to work with Kristyn.

To whom it may concern:

My husband, Phil, and I are taking this opportunity to tell you and College Works Painting that it has been a pleasure to deal with them as they carried out the contract to paint various areas on our property. It has been especially entertaining to work with Kristyn. She approached this project with enthusiasm, a sense of fun, and, above all, a professional attitude. Her team—Rob and Lauren—also made it clear that they aim to please.

I recommend this company.

Sincerely,  
Carol Vaccaro
