

College Works Painting Reference Letter
Dave and Vera Winn

Dave Roderick came to our door and explained the College Works Painting job to us. We listened and my husband felt good about issuing the Job to Dave.

To whom it may concern,

Dave Roderick came to our door and explained the College Works Painting job to us. We listened and my husband felt good about issuing the Job to Dave.

All the details were worked out and Chris and Weston appeared on our door early Monday morning to begin the job. Those 2 fellows were very polite, pleasant and always on time.

At the end of each day the two would walk around with us to inspect their work and to see if anything needed to be fixed. We were very pleased with Dave, Chris and Weston and their work on our home and would highly recommend them to our neighbors.

Neighbors have just recently commented on the painting on our house and how nice it looks.

Thank you Weston and Chris for a job well done. Please keep up the good works.

Sincerely,

Dave and Vera Winn
