

College Works Painting Reference Letter
Karen Travis
Sandy, Utah

Having had a College Works Painting crew stain the exterior of my home, I was impressed enough with the team's work to hire a second team to do a similar job on another property. Dave Roderick send Chris and Garrett to mask, stain, and paint, and they completed the job in about three days. This project included a dormer accessible from an upper deck and a steep roof, not at all daunting for this crew. Like the crew on the initial property, Chris and Garrett were personable and capable

Second Letter of Recommendation

College Works Painting-June 2007

Having had a College Works Painting crew stain the exterior of my home, I was impressed enough with the team's work to hire a second team to do a similar job on another property. Dave Roderick send Chris and Garrett to mask, stain, and paint, and they completed the job in about three days. This project included a dormer accessible from an upper deck and a steep roof, not at all daunting for this crew. Like the crew on the initial property, Chris and Garrett were personable and capable.

Yes, I would hire College Works Painters again in the future. And I have recommended them to friends.
