To Whom it May Concern,

Please consider this as a reference letter for College Works Painting. I live at 48 Hawthorne Road, Grosse Pointe Shores Michigan and recently had this company paint a 3 foot wood overhang and gutters on my home. My house is 88 years old and this area had not been painted in awhile and it needed a lot of "prep" work. They not only scraped the overhang but also power washed it to remove as much loose paint as possible.

My experience in working with the company and the Manager David Lankford was very satisfying. David and his crew, Andy Wahl and Bobby Clarren, were very professional and pleasant to work with. The painters updated me every day before they left on what they had done and what they needed to do the next day.

I especially appreciated that any time an issue arose, they checked in with me as to what path I wanted them to take. These and any other concerns I had were addressed promptly and completely.

Overall, I would recommend College Works Painting to any neighbors and friends for their exterior painting needs.

Sincerely,

Alex DePetro
