I am writing you today to express my appreciation for the professional job provided by Gabe Minchow and his crew Rob and Daniel. My home only required attention on its southern exposure, which these hard working young men accomplished in a matter of days.

Dear Sir or Madam,

I am writing you today to express my appreciation for the professional job provided by Gabe Minchow and his crew Rob and Daniel. My home only required attention on its southern exposure, which these hard working young men accomplished in a matter of days. The results were very satisfactory and tidy. I would strongly recommend College Works Painting to anyone not only because they were fast and did a great job, but because of their positive and outgoing attitudes. I consider College Works my painters and will no doubt use them for future projects as they arise. Thank you!

Sincerely,
