To Whom It May Concern:

I've had the pleasure of work with Courtney Cox and her employees Zach and Jared this June on the paintwork on my house on Dogwood Way in Ashland, Oregon.

The service and communication have been excellent and I am most pleased with the job. Everything was accomplished efficiently and politely as she said it would be. I am satisfied with the job they have done.

This is the 2nd home I've had painted by the folks at College Works Painting and I am a satisfied customer. I highly recommend this group for their courteousness, communication, skill and speed.

Sincerely,

Michael Connors
