College Works Painting

C/o Trent Sheffield

Dear College Works Painting:

We wanted to take this opportunity to tell you what a great experience we had with Trent Sheffield and his team.

This winter we were contacted by Trent about the College Works Painting program. We met in spring and Trent gave us a formal estimate for several projects we were interested in for our home. With seemingly little difficulty Trent was able to dovetail our painting projects into other work we were having completed.

Over the last nine months, we have done a considerable amount of remodeling in our home. Both our contractors and their subs have pleasantly surprised us. Trent and his team continued in that same vein.

It is quite obvious that customer service is important for each employee of College Works Painting. For such a young crew, Steve Crosby-our crew chief, Dave, Pete, Jeff and Scott were all very professional, courteous, timely, neat, and personable and did a great job. We have recommended them to neighbors and think raises are in order for the whole crew including Trent!

We hope that Trent will share this with his team, his district manager and up the line.

Sincerely,

Dave and Lynn Pease
