Re: College Works Painting

On June 4 – 6, 2007, College Works Painting, painted our home. We found their work to be excellent. Cody and team members Justin and Mark were extremely hard working, showing competency and professionalism throughout the job.

Our house was extensively cleaned, and prepared before painting began. Working as a complemented team, they painted the house and trim in a timely manner and cleaned the area before leaving each night. Of particular note was the evening walk around, where Cody pointed out the progress of the job and explained what was to be done the next day.

We are very pleased with the result.

Sincerely,
