Just note to let you know how happy I am with the paint job you did on my 75 year house and garage. It simply looks great.

Dear Steve:

Just note to let you know how happy I am with the paint job you did on my 75 year house and garage. It simply looks great. Everything from the prep work to the covering of all the white trim (and there was a lot) to the matching of the red paint to the actual painting was done very professionally. I especially liked the way you kept in touch with me from the time I signed the contract until the job was finished and answered all my questions and concerns.

I would be happy to recommend you and your company to anyone who want have their house painted. I am certain they will be more than satisfied with the outcome.

Sincerely

Arlene R. Johnson
