Clara and I are very pleased with the work that College Works Painting did for us this last couple of weeks. The deck, the three entry doors and the trim look superb. From the day we met to discuss our needs to the negotiations to the work and the final inspection we were quite pleased with everything. Your workers, to spite the bad weather, were “Johnny o the spot”, polite and respectful and they cleaned up the area after each day’s work. It was a pleasure to have them around – a compliment not heard very often this day and age.

Dear Scott,

Clara and I are very pleased with the work that College Works Painting did for us this last couple of weeks. The deck, the three entry doors and the trim look superb. From the day we met to discuss our needs to the negotiations to the work and the final inspection we were quite pleased with everything. Your workers, to spite the bad weather, were “Johnny o the spot”, polite and respectful and they cleaned up the area after each day’s work. It was a pleasure to have them around – a compliment not heard very often this day and age.

If we need any painting done in the future, you can bet that we will call College Works Painting.

Sincerely,

Theodore R York
