We are writing to offer our strongest recommendation for Jeffrey Richards, an Independent Branch Operator for College Works Painting. We hired Mr. Richards to paint the exterior of our 1912 Arts & Crafts Bungalow (with its numerous exterior details that were difficult to prepare and paint), and we were extremely satisfied with his work from start to finish.

To Whom It May Concern:

We are writing to offer our strongest recommendation for Jeffrey Richards, an Independent Branch Operator for College Works Painting. We hired Mr. Richards to paint the exterior of our 1912 Arts & Crafts Bungalow (with its numerous exterior details that were difficult to prepare and paint), and we were extremely satisfied with his work from start to finish.

He provided an accurate and detailed estimate of the cost of the job. Once the work began, he and his crew were professional, courteous, and very detail oriented. Mr. Richards was always open to feedback, and was quickly responsive to any concerns that we had. The few small problems that developed during the course of the work were always remedied without delay. The area around our house was kept clean throughout the process. We could not be happier with the finished product; we absolutely love the way the house looks!

In summery, we offer our unqualified endorsement of Jeffrey Richards.

Sincerely

William and Mary Ehlenbach
