We were very pleased with the work that done by Mike Freidman and his crew. We asked that the work be done as soon as possible and when an opening came up, Mike called us and set up everything immediately.

To Whom It May Concern:

We were very pleased with the work that done by Mike Freidman and his crew. We asked that the work be done as soon as possible and when an opening came up, Mike called us and set up everything immediately. The workers came everyday and were very professional. They listened to what we had to say and made every effort to accommodate our requests. When the work was finished in the time we told, they cleaned up all their equipment and left very little visible evidence that they were even here.

We were asked to do a final walkaround prior to a final meeting with Mike and final payment.

Overall the experience was pleasant and work done to our satisfaction. We would gladly use College Works again and would recommend milk, his crew and the College Works organization for any professional painting needs.

Thank you,
